

Jean Cocteau Cinema presents

Shubhraj, Vedanta teacher and author of
IN THE LOTUS OF THE HEART
THE ESSENCE OF RELATIONSHIPS

A rare opportunity to understand why our approaches to relationship often leave us frustrated

Do you yearn to become a more loving partner? Are you in a relationship you would like to transform or searching for better ways to handle conflict? Come and hear Shubhraj share wisdom from her book because "people everywhere talk to me about the same relationship issues. Many feel lonely and cut off from loved ones because of apparent unresolvable conflicts or communication problems, or they suffer in stale, loveless, or even abusive relationships."

Shubhraj will show us how we can connect more deeply with our beloveds, family members, friends and co-workers. Book talk followed by a Q&A session.

SHUBHRAJ, a contemporary Vedanta teacher with an international following, began her spiritual work at age fourteen as a disciple of the renowned Vedanta master H. H. Swami Chinmayananda. Originally from India, she took an early interest in the ancient nondualistic philosophy of Vedanta and now teaches and travels throughout the US, Asia and Europe. Using Sanskrit texts such as the Bhagavad Gita and the Upanishads, she conducts programs for both Eastern and Western audiences, and offers weekend intensives that include yoga asanas.
