SHUBHRAJI 2017

YOUR SPIRITUAL POTENTIAL

Free Monthly Live Video Session

2017 is upon us!

In these times of constant change - we all need a spiritual anchor, a reminder, a source of inspiration. Over the years in your association with Namah, you have attended a talk or a workshop, participated in our online classes or did one-on-one sessions. Some of you have also been closely involved in supporting the Vedanta work with your dedicated service. Now technology provides us with a brilliant opportunity to stay connected.

Starting January 2017, and for the entire year (except July & August), I will offer a "LIVE" STREAMING VIDEO SESSION once every month.

YOUR SPIRITUAL POTENTIAL

Reach out, reconnect with your true being and live your full potential - NOW!

In these hour-long sessions I will offer the ancient teachings in a simple and practical way. I will share spiritual insights, ideas and universal concepts that you can easily apply in your life, so you can navigate your life better.
