The Sudarśana cakra (chakra) is the divine weapon, of Lord Viṣṇu used to destroy all evil and negativity.

The holy discus is a spinning wheel with 108 serrated edges, used by Lord Viṣṇu and his incarnation Lord Kṛṣṇa to eliminate the dark forces and uphold truth.

The word Sudarśana is made up of two words 'su' which means auspicious and 'darśana' which means vision.

The Sudarśana Pūjā and Homam help us overcome karmic, financial and health problems. They ensure our well-being by removing negative forces from our life. This cakra is believed to be extremely powerful. This pūjā is extremely relevant during the current global situation.
